01 Branding

From sketch to famous brand!
Are you willing to create full branding for your service or product??
Your brand will include a full creation from a logo, design, mission, and vision statements, as well as a slogan.

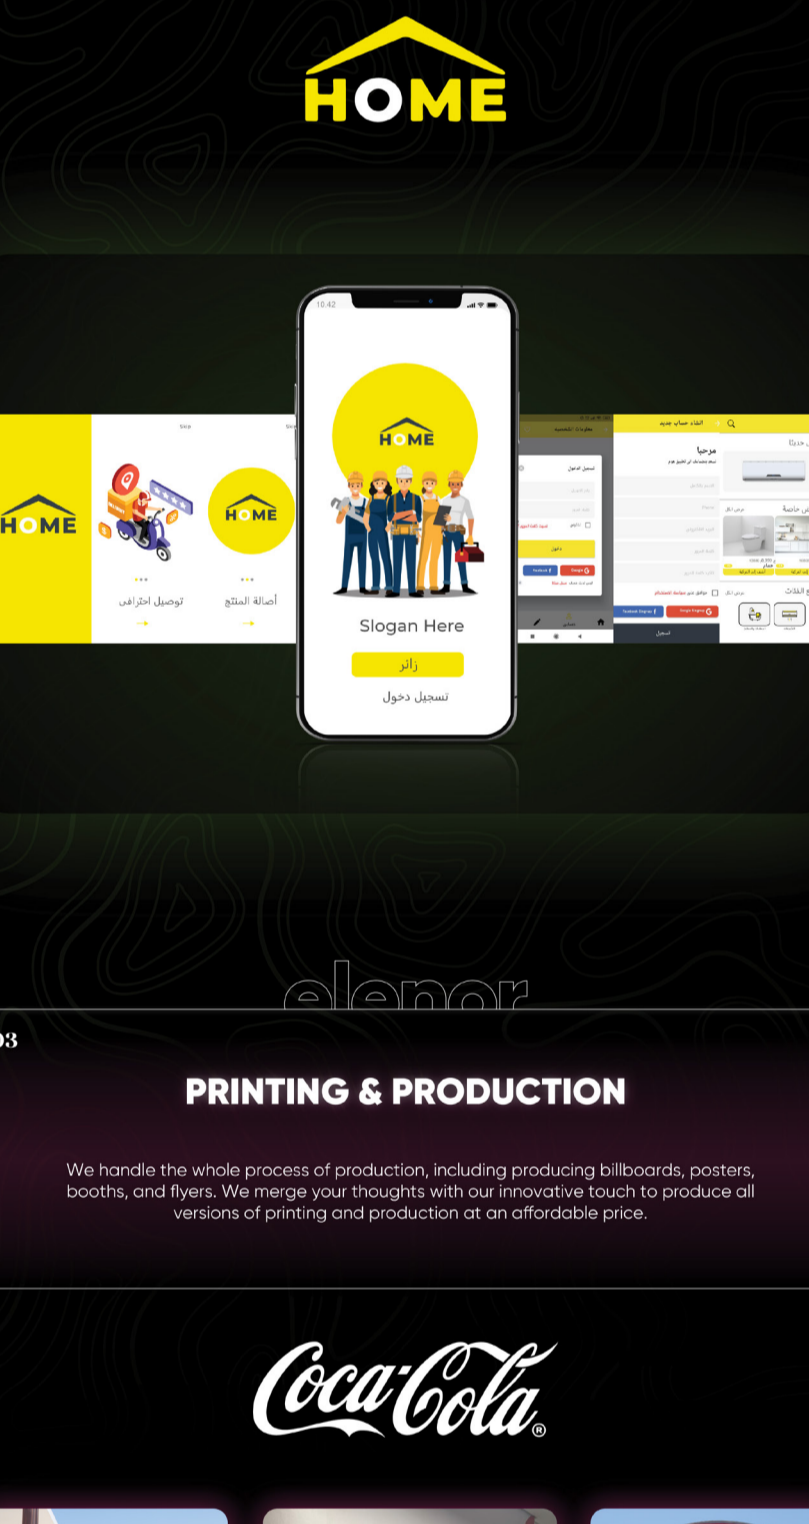

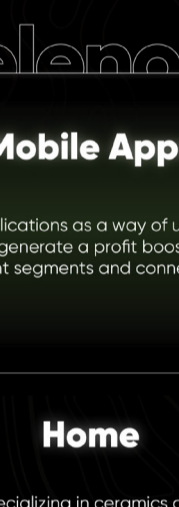

TAZA

TAZA is a bakery that makes different types of bread, and they make fresh sandwiches like turkey, lanchoon, cheese, and so on to takeaway during work or somewhere else.

VIDEOLGY

With its Egyptian nature, Videology is a global platform that aims to offer an extensive variety of media formats, including sketches and other projects that fall into various categories.

MEDICONNECT

MEDICONNECT® is an integrated healthcare management consulting firm that provides facility services for hospitals and medical organizations.

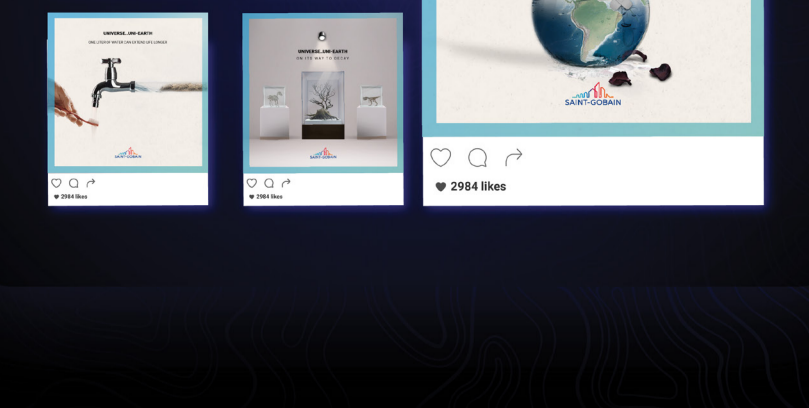

NEMO

Nemo Academy is a professional horse-riding academy with stables managed by certified trainers that also offers group activities.

ROBEK

Robek, a company specialized in everything related to plumbing, including water pipes and everything related to this field.

02 Mobile Apps

Elenor creates mobile applications as a way of using digital marketing fields that allow customers to generate a profit boost by having a new type of customer from different segments and connecting better with them.

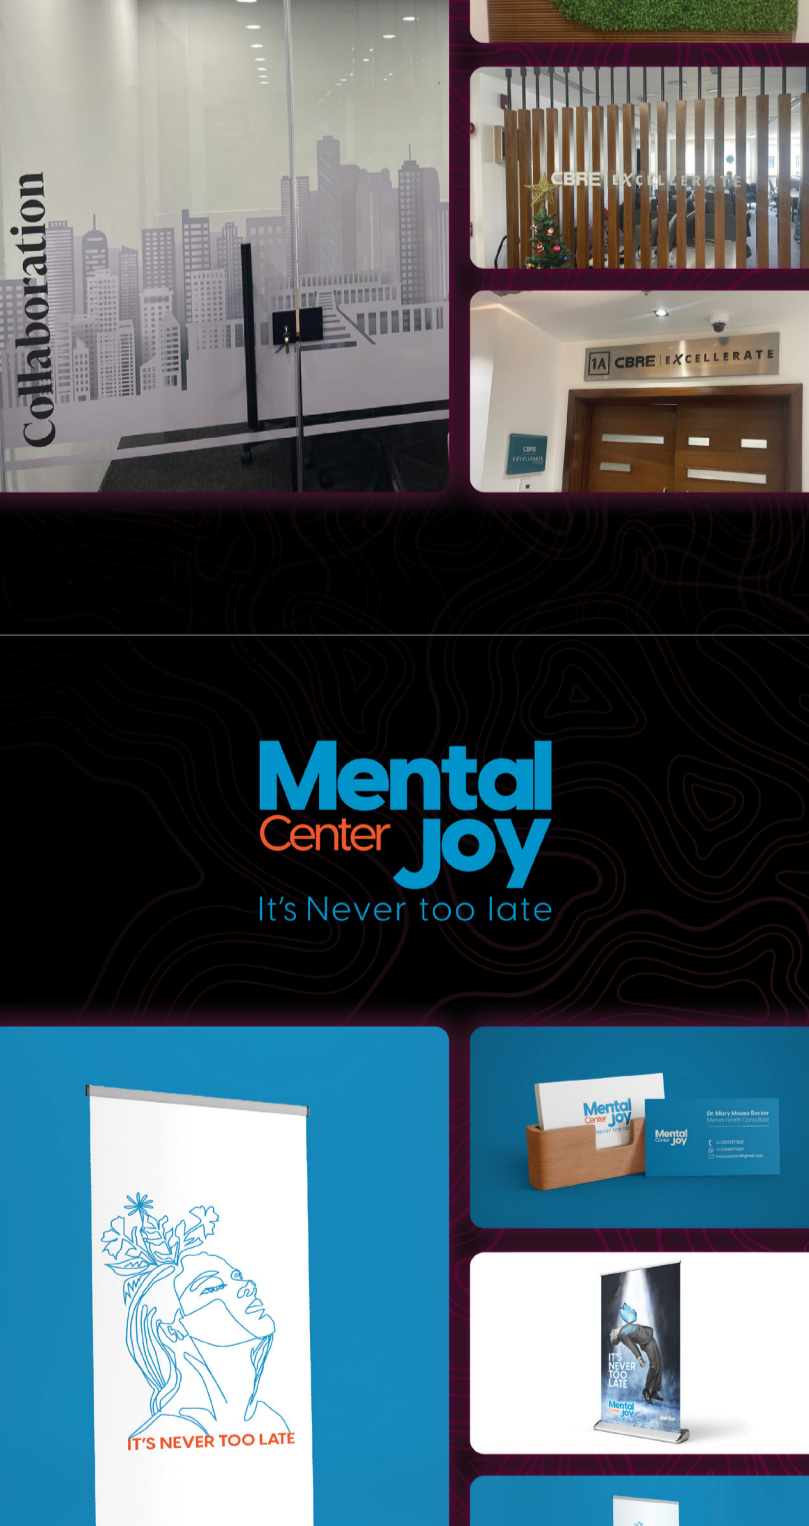

Home

Home is a company specializing in ceramics and everything related to household supplies, especially bathrooms.

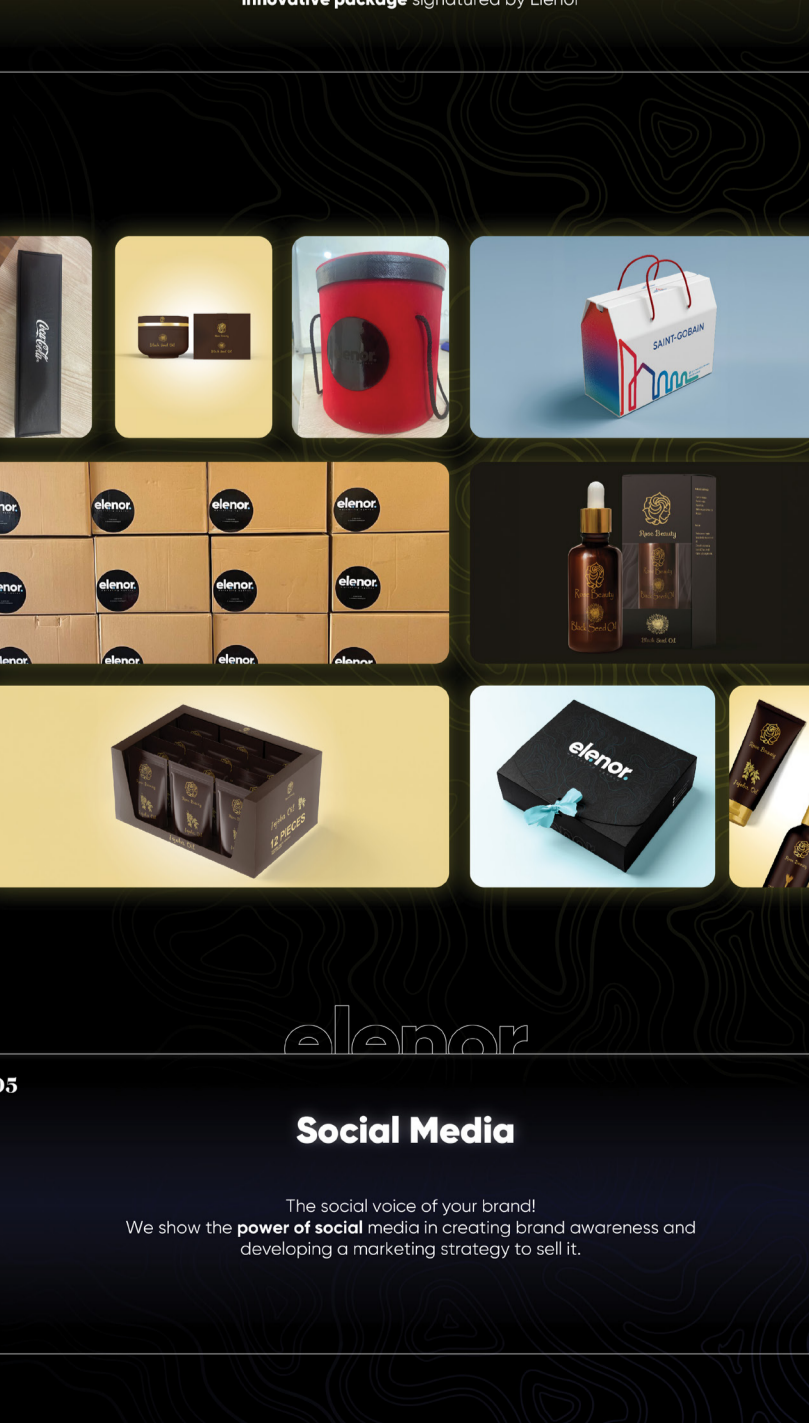

03 PRINTING & PRODUCTION

We handle the whole process of production, including producing billboards, posters, booths, and flyers. We merge your thoughts with our innovative touch to produce all versions of printing and production at an affordable price.

GSK

CBRE EXCELLERATE

Mental Center Joy
It's Never too late

04 Packing

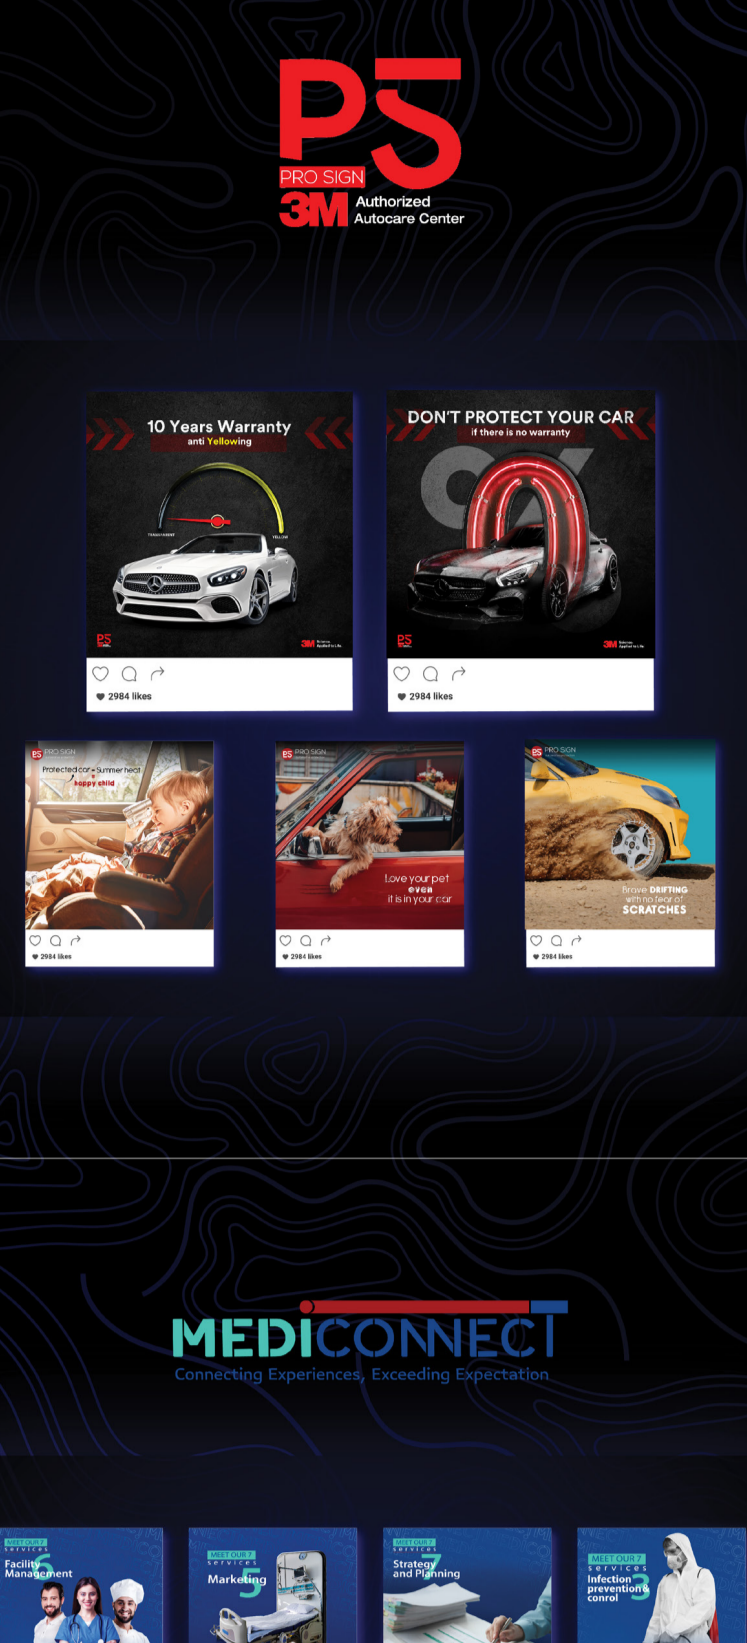

"Good packaging protects your product, great packaging protects your brand"
The most vital step is the final touch.
After finalizing the designs and print outs, we will generate our innovative package signed by Elenor

05 Social Media

The social voice of your brand!
We show the power of social media in creating brand awareness and developing a marketing strategy to sell it.

Innovative Gifts

Easy, but it requires time to finish! We use our creative design and printing skills to produce giveaways that serve a variety of purposes. These include promotional items for events, employee gifts designed in accordance with a company or factory's celebration, and gifts for holidays like Ramadan and Eid.

10

Interior design

The Art of Marketing... This is a space where style meets strategy, and your creative vision meets the market's eye. Therefore, we at Elenor for Marketing and Advertising Solutions believe it is time to start a new chapter called interior design, which is the art of planning the interior spaces of buildings, such as homes or offices.
